Grrr, I wish I had me someone to eat. That prince makes me hungry. Honestly Han, knitting makes you look like a girl.
For your information, I'm "sewing," and it helps me to focus my mind before a battle.

Peh, figures a wimpy guy like you would have some wimpy girl hobby. Makes me wonder about you Face-changers.

Lets see how your quilting club fares against a pack of rabid were-dogs!

You're not slacking off, are you Kurr?
AIIEP!
Captain! I wasn't slacking, I was just-

Bwuahaha! Oooh, Kurr, you should have seen your face! Now THAT is fun.
Wha? HAN! You louse, I hate it when you do that!

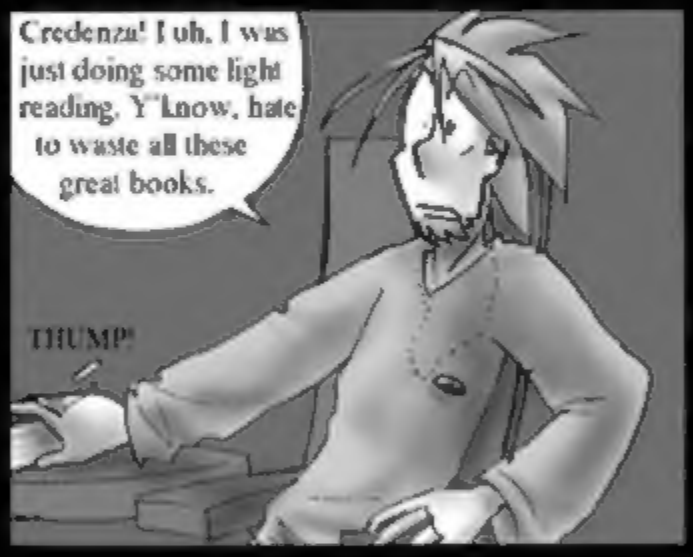
PEEEL
Not bad for a "quilting club," is it? Just think twice before you insult the Face-changers again.
Enough chit chat you two.

The nuns are asleep. It's time to attack.

What was that?
I thought I heard voices... Blitz?
Well, he's not in his "nest."
I'd better go and find him.
Hike
Hike
Tink
Sigh
What a bizarre place...

Absolutely fascinating...

Man. I wish I could have been there for THAT.
Hey Tuff. What'cha reading?



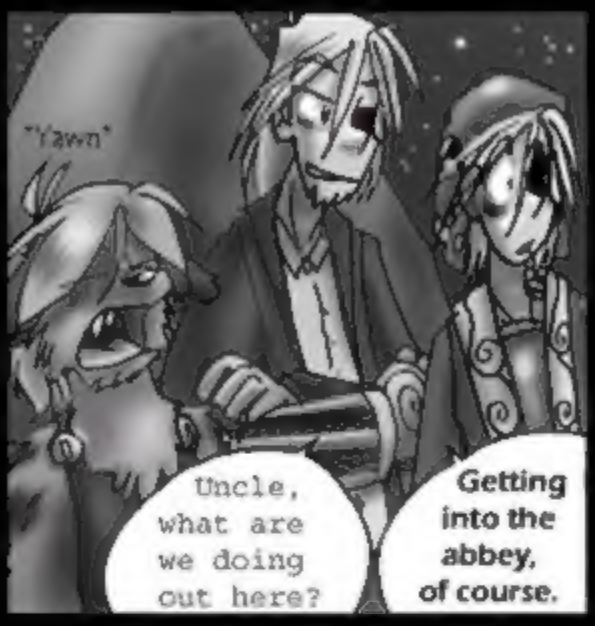
Credenza! I uh. I was just doing some light reading. Y'Know, hate to waste all these great books.
THUMP!

Archipelian Royal Scandals; a History.
Odd reading. Hey! Sand-wiches!
Want one? They're peanut-butter and mustard.

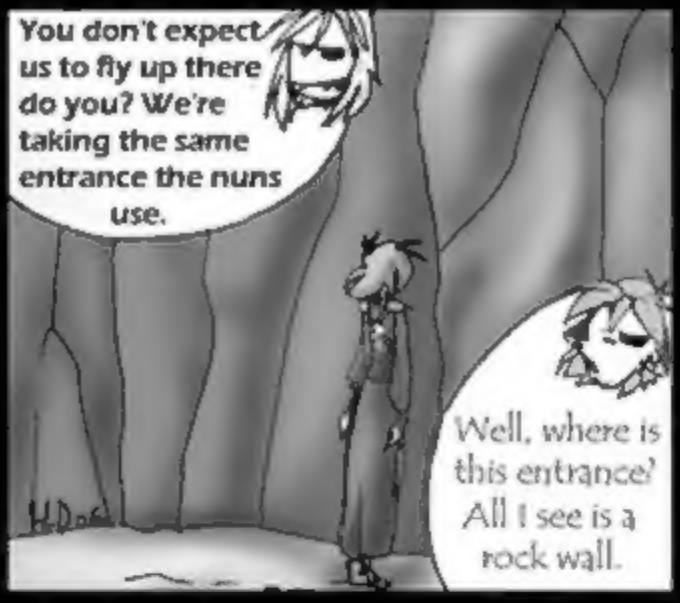
Uhh, I think I'll pass.
Okhay. your lossh.

Why are you up so late? Sleep trouble?
Always. I'm a bit of an insomniac.
Rub Rub
Well, that explains why I never see you asleep. Were you born like that?
Sort of. When you're part were-shark, it's hard to let your guard down.

It's beautiful...
To think, I'd have never seen this if I hadn't left Ruin Island.
Neither would I, if you hadn't given us an excuse to come back.
Have you seen many gardens like this, in your travels?
Only once. Back home, the water gardens of Quillotia are the most beautiful in the world.
But I doubt I will ever see them again. Riley and I can never go back to Quillotia.
You can't go home? Why? Did you kill someone?
(Bristle)
Tuff? I wasn't serious about the killing thing you know... Tuff? Earth to Tuff!
Credenza.... I don't know what, and I don't know how... but something terrible is about to happen.

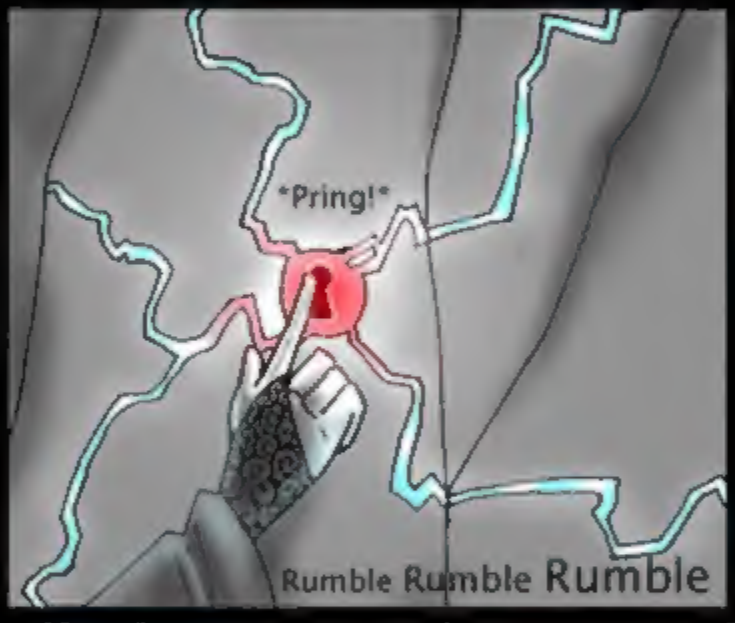


"Yawn"
Uncle, what are we doing out here?
Getting into the abbey, of course.



You don't expect us to fly up there do you? We're taking the same entrance the nuns use.
Well, where is this entrance? All I see is a rock wall.

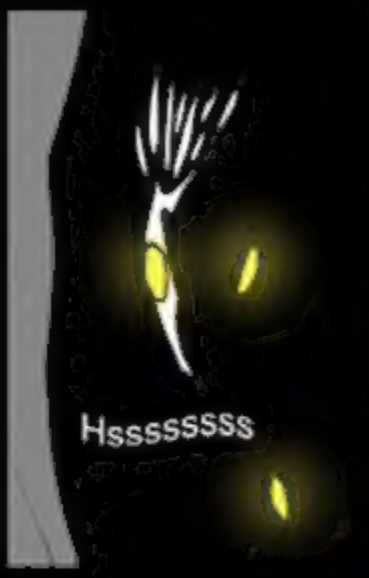
Be patient Kurr, and let Lucinda do her work.



Pring!
Rumble Rumble Rumble

BOOM!

Only a nun can open the door to the secret entrance.
Excellent work, Lucy.



Hsssssssss

SKRIIIII
Kasaaaa!

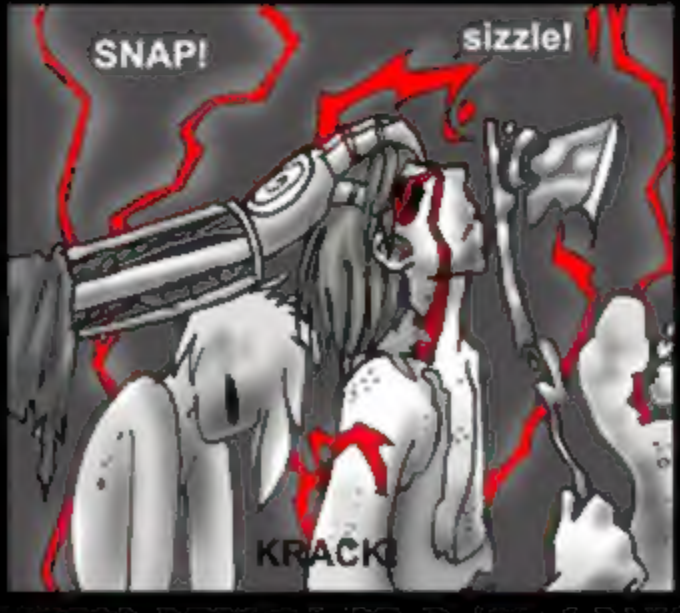
It seems the abbey is not without its own defenses.

Hmmm, sand. Steel would be better.

But this will do fine.

Crackle!
Snap!
THUMP!

MRRRR
HASSKKKK!



SNAP!
sizzle!
KRACK!

Kill them.

COME ON MR. BLITZ, JUST HOLD HIM.

Hmmm....

THIS ONE'S NAME IS JAY, HE'S MY FAVORITE.
They're all very friendly, we raised them ourselves.
Z

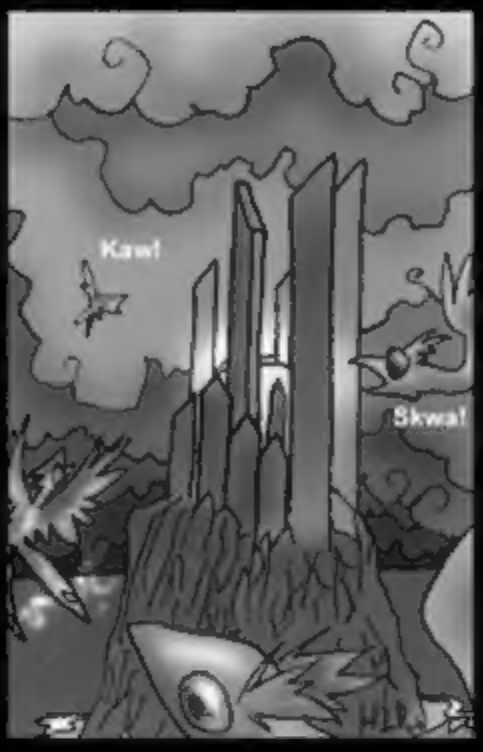
THEY'RE GREAT FOR CUDDLING.
SQUEEZE!
And they're not even related to snakes.

Oh, okay.
See? He loves you!

I have no idea what it is, but I sense something, and it's very dangerous.
But Tuff, how do you know this? You felt fine a few minutes ago.

It's a trait of most beast men, to sense danger. Tuff seems to have an unusually strong sense, and he felt it before I could.

I knew the abbey would be drawn into the conflict.
I had only hoped that we would have more warning than this.
Curses! They've already found the entrance tunnels.
Looks like Snow has decided to lead the attack in person.
Find your friends, we'll need everyone to make it through the night.
But I don't know where Blitz is!
AAUGG!
Blitz!?
They love me too much!
It's going to be a long night.
Give me back my hair!



Kaw!
Skwa!

Cass, take the little ones to the basement. The Lucks will help.
Got it!
I'm on it.
Lydia, you and the other fighters prepare for the battle.
Nasardi, make sure all doors and windows are boarded up.
One step ahead of you Miss Tabitha.

MISS TABITHA! WE COULDN'T FIND MR. RILEY, HE'S NOT IN HIS ROOM.
Eternal hell fires, where is that boy?

Okay kids, does everyone have their siege buddy?
Will Riley be okay? He doesn't know what's going on!
We'll just have to hope we meet up with him later.

I can see why Dragonfly entrusted the necklace to you Credenza, you're a very brave young woman.
We have to stay and fight, Miss Tabitha.

I may not be able to read the book, but at least I can keep Snow from getting his hands on it.

They're coming! Get the children out of here!
But Riley--
There's no time! Just go!
BOOM!
SANCTUS SANTATUM! ELLUM TU PATHUS
Credenza, shouldn't we open the door?
No, Blitz. It's Captain Snow, he wants to get the book and hurt the nuns.
BOOM!
What!? Why would he want to hurt the nun girls?
Because they're in his way.
Grrr! Well, he's not hurting them while I'M here.
The door's breaking!
BOOM!
KA-BOOM!
